HIPGNOSIS SONGS FUND LIMITED

(the "Company" or "Hipgnosis")

RESULT OF INITIAL PLACING

The Company is pleased to announce that it has successfully raised gross proceeds of £200 million pursuant to the Initial Placing of its ordinary shares (the "Ordinary Shares") as described in the prospectus published by the Company on 27 June 2018 (the "Prospectus").

The results of the Issue (being the Initial Placing and the Offer), which is subject to a maximum issue of 250 million Ordinary Shares, will be announced by the Company on or around 6 July 2018.

Defined terms in this announcement will have the same meaning as defined in the Prospectus.

Information to distributors

Solely for the purposes of the product governance requirements contained within: (a) EU Directive 2014/65/EU on markets in financial instruments, as amended ("Directive 2014/65/EU"); (b) Articles 9 and 10 of Commission Delegated Directive (EU) 2017/593 supplementing Directive 2014/65/EU; and (c) local implementing measures (together, the "MiFID II Product Governance Requirements"), and disclaiming all and any liability, whether arising in tort, contract or otherwise, which any "manufacturer" (for the purposes of the MiFID II Product Governance Requirements) may otherwise have with respect thereto, the Ordinary Shares and C Shares have been subject to a product approval process, which has determined that the Ordinary Shares and C Shares to be issued pursuant to the Issue and the Placing Programmes are: (i) compatible with an end target market of retail investors and investors who meet the criteria of professional clients and eligible counterparties, each as defined in Directive 2014/65/EU; and (ii) eligible for distribution through all distribution channels as are permitted by Directive 2014/65/EU (the "Target Market Assessment").

Notwithstanding the Target Market Assessment, distributors should note that: the price of the

Ordinary Shares and C Shares may decline and investors could lose all or part of their investment; the Ordinary Shares and the C Shares offer no guaranteed income and no capital protection; and an investment in the Ordinary Shares and/or C Shares is compatible only with investors who do not need a guaranteed income or capital protection, who (either alone or in conjunction with an appropriate financial or other adviser) are capable of evaluating the merits and risks of such an investment and who have sufficient resources to be able to bear any losses that may result therefrom. The Target Market Assessment is without prejudice to the requirements of any contractual, legal or regulatory selling restrictions in relation to the Placing Programme. Furthermore, it is noted that, notwithstanding the Target Market Assessment, N+1 Singer will only procure investors who meet the criteria of professional clients and eligible counterparties.

For the avoidance of doubt, the Target Market Assessment does not constitute: (a) an assessment of suitability or appropriateness for the purposes of Directive 2014/65/EU; or (b) a recommendation to any investor or group of investors to invest in, or purchase, or take any other action whatsoever with respect to the Ordinary Shares and/or the C Shares.

Each distributor is responsible for undertaking its own target market assessment in respect of the Ordinary Shares and the C Shares and determining appropriate distribution channels.

If a class of C Shares are issued under the Placing Programmes, Hipgnosis Songs Fund Limited will make available a key information document in relation to such class of C Shares as required under the PRIIPs Regulation.

If you are distributing the Shares, it is your responsibility to ensure that the relevant key information document is provided to any clients that are "retail clients".
