21 January 2021

Dear Shareholders,

EXTRAORDINARY GENERAL MEETING AND RECOMMENDED PROPOSAL FOR THE DISAPPLICATION OF PRE-EMPTION RIGHTS

1. Introduction

On 21 January 2021, the Company published a prospectus (the “**Prospectus**”) relating to an initial issue of up to a maximum of 500 million Ordinary Shares (the “**Initial Issue**”) and placing programmes (the “**Placing Programmes**”) of up to a maximum of 1 billion new Ordinary Shares or C Shares (such new Ordinary Shares and any new class of C Shares, together with the Ordinary Shares being issued pursuant to the Initial Issue, the “**Issue Shares**”).

By way of a written special resolution dated 25 June 2018, the Board was granted the authority to allot and issue up to 1 billion Shares on a non-pre-emptive basis, such authority being expressed to expire immediately prior to the AGM of the Company to be held in 2023 (or, if earlier, five years from the date of the passing of such resolution). Out of this authority, there is authority remaining for the Directors to allot and issue up to 379,643,659 Shares for cash on a non-pre-emptive basis. Further, the Directors were granted authority by shareholders at the Company’s second annual general meeting on 8 September 2020 to allot and issue up to 30,792,594 Shares for cash on a non-pre-emptive basis, such authority to expire on 8 December 2021, or if earlier at the annual general meeting of the Company to be held in 2021. As such, as at the date of this Circular, the Company is able to issue up to a further total of 410,436,253 Shares for cash on a non-pre-emptive basis over such period as stated above. The maximum number of Issue Shares that can be issued pursuant to the Initial Issue and the Placing Programmes, in aggregate, is 1.5 billion, which exceeds the current authority of the Board to allot shares on a non-pre-emptive basis.

In order for all of the Issue Shares that are capable of being issued under the Initial Issue and the Placing Programmes to be capable of being allotted and issued in a timely and cost efficient manner, and to ensure that the Company’s current authority to issue Shares on a non-pre-emptive basis is not eroded by any issuance under the Initial Issue or the Placing Programmes, the Board is proposing to table, at the Extraordinary General Meeting, a special resolution to disapply pre-emption rights in respect of the issue (or sale out of treasury) to any person or persons of up to 1.5 billion Issue Shares to be issued pursuant to the Initial Issue and the Placing Programmes. Further details of the proposed disapplication of pre-emption rights are set out in paragraph 3 of this Part I of this Circular.

If the Resolution is not passed by the requisite majority of Shareholders at the Extraordinary General Meeting, it will be necessary (due to the level of the Board’s current authority to issue Shares on a non-pre-emptive basis) to cap the maximum number of Issue Shares to be issued pursuant to the Initial Issue at 400 million.

2. Proposal

The proposed disapplication of pre-emption rights (the “**Proposal**”) is subject to the approval of Shareholders by way of a special resolution (the “**Resolution**”), and this Circular contains a notice of the Extraordinary General Meeting at which the Resolution to approve the Proposal will be considered.

The Board considers that the Proposal is in the best interests of Shareholders as a whole and accordingly recommends that Shareholders vote in favour of the Resolution to be proposed at the Extraordinary General Meeting.

3. Rationale for the Proposal

The Board believes that the issuance of Issue Shares pursuant to the Initial Issue and the Placing Programmes will have the following benefits for the Company:

- the Initial Issue and the Placing Programmes provide additional opportunities for the Company to acquire attractive Songs or Catalogues that are identified by the Investment Adviser, which are expected to create further value for Shareholders;
- the Initial Issue and the Placing Programmes are expected to broaden the Company’s asset base which will increase the diversity of the Portfolio;
- the Initial Issue and the Placing Programmes are expected to broaden the Company’s investor base and enhance the size and liquidity of the Company’s share capital;
- growing the Company through the Initial Issue and the Placing Programmes will spread the fixed operating costs over a larger capital base, thereby reducing the Company’s ongoing charges ratio; and
- by not using the Company’s existing authority to issue Shares on a non-pre-emptive basis in connection with the Initial Issue and Placing Programmes, the Company preserves this authority for tactical and efficient issuances of shares at such times where the Company does not have a live prospectus in place, which can be made by way of institutional placings and/or retail offers (subject to any limitations of any exemptions contained in the UK Prospectus Regulation).

4. Disapplication of pre-emption rights

The Board is proposing to table the Resolution to disapply pre-emption rights in respect of the issue (or sale out of treasury) to any person or persons of up to 1.5 billion Issue Shares to be issued pursuant to the Initial Issue and the Placing Programmes.

The disapplication of pre-emption rights is restricted to use only in connection with the Initial Issue and the Placing Programmes. As such, the Resolution has been expressed so as to ensure that the authority to issue and allot such Issue Shares on a non-pre-emptive basis shall expire on 20 January 2022, being the latest date on which Issue Shares can be issued pursuant to the Placing Programmes.

The Company has authority (as at the date of this Circular) to issue in excess of 410 million Shares on a non-pre-emptive basis, with such authority due to expire in December 2021 (in respect of approximately 31 million Shares) and June 2023 (in respect of the remaining 380 million Shares), Notwithstanding this current authority, the Board considers that the Resolution should cover issuances of Shares pursuant to both the Initial Issue and the Placing Programmes because it is considered desirable to preserve this general authority for use in connection with issuances of Shares that are made: (i) outside the Initial Issue and the Placing Programmes; and/or; (ii) after the expiration of the Placing Programmes. The rationale for this is that preserving such authority enables the Company to raise equity at such times where the Company does not have a live prospectus in place, but where cash needs to be raised quickly and efficiently (for example, to fund an acquisition opportunity). It is expected that such equity issuances would be made by way of institutional placings and/or, where permitted by the exemptions contained in the UK Prospectus Regulation, by way of retail offers.

The Board will not issue any Issue Shares at a discount to the latest published Operative NAV per Share as at the relevant time without the consent of the Shareholders.

If the Resolution is not passed by the requisite majority of Shareholders at the Extraordinary General Meeting, the Issue Shares to be issued pursuant to the Initial Issue will be issued pursuant to the Board's current authority to issue Shares on a non-pre-emptive basis. Accordingly, and as outlined in the Prospectus, it will be necessary to cap the maximum number of Issue Shares to be issued pursuant to the Initial Issue at 400 million. In addition, as outlined in the Prospectus, the Placing Programmes will remain in place, but any issuances of Issue Shares pursuant to the Placing Programmes will be conditional upon the Shareholders resolving to disapply pre-emption rights in respect of such issuance at a subsequent general meeting of the Company. Obtaining such approval from Shareholders in connection with issuances under the Placing Programmes is likely to delay such issuance, and such delay could result in the Company being unable to conclude certain investment opportunities.

5. Risks associated with the Proposal

In considering your decision in relation to the Proposal, you are referred to the risks set out below.

- If the proposed disapplication of pre-emption rights is approved by Shareholders, it may not be possible for existing Shareholders to participate in future issuances of Shares, which may dilute the existing Shareholders' voting interests in the Company.
- Any additional issuances of Issue Shares by the Company, or the related costs of such issue, may cause the market price of the existing Shares to decline.

6. Extraordinary General Meeting

An Extraordinary General Meeting of the Company will be held at 10 a.m. on 5 February 2021 at 2nd Floor, Trafalgar Court, Les Banques, St. Peter Port, Guernsey, GY1 2JA for the purpose of approving the Proposal. The business to be considered at the Extraordinary General Meeting is contained in the Notice of Extraordinary General Meeting set out at the end of this Circular.

At the Extraordinary General Meeting, the Resolution will be proposed as a special resolution and, as such, will require the approval of 75 per cent. of members present by a show of hands or, if a poll is demanded, the total voting rights held by Shareholders cast at the Extraordinary General Meeting (in each case, whether voted by Shareholders in person or by proxy).

The quorum for the Extraordinary General Meeting will be two or more members (holding at least 5 per cent. of the Company's issued share capital, in aggregate) present in person or by proxy (provided that a single person holding or representing shares by proxy of more than one Shareholder shall, solely for the purpose of determining a quorum under the Companies Law, be counted as a person in respect of each Shareholder represented or proxy held). If within half an hour after the time appointed for the Extraordinary General Meeting a quorum is not present, the Extraordinary General Meeting shall stand adjourned to the same day in the next week at the same time and place (or such other day, time and place as the Chairman may determine) and no notice of adjournment is required. If at such adjourned meeting a quorum is not present within five minutes from the time appointed for the holding of the meeting, those members present in person or by proxy shall be a quorum.

Attendance at the Extraordinary General Meeting

As a result of the Covid-19 pandemic, certain restrictions currently apply with respect to Shareholders' attendance at the Extraordinary General Meeting in person, particularly where those Shareholders were intending to travel to Guernsey from overseas. Shareholders are encouraged to vote by way of proxy in advance of the Extraordinary General Meeting, in the manner set out in paragraph 7 (Action to be Taken by Shareholders) below. The current government advice relating to the Covid-19 pandemic and the related restrictions are evolving, and the Company will endeavour to keep Shareholders informed of any changes to the advice contained in this Circular.

7. Action to be Taken by Shareholders

If you are a Shareholder, you will find enclosed with this Circular the Form of Proxy for use at the Extraordinary General Meeting. Whether or not you intend to be present at the Extraordinary General Meeting, you are asked to complete the Form of Proxy in accordance with the instructions printed thereon and return the Form of Proxy to the Company's Registrar, Computershare Investor Services (Guernsey) Limited, by one of the following means:

- in hard copy form by post, by courier or by hand to The Pavillions, Bridgwater Road, Bristol, BS99 6ZY; or
- in the case of CREST members, by utilising the CREST system service in accordance with the procedures set out in the notes to the Notice of Extraordinary General Meeting.

In each case, the Form of Proxy must arrive by the time and date specified within. To be valid, the relevant Form of Proxy should be completed in accordance with the instructions accompanying it and lodged with the Company's Registrars by the relevant time.

The completion and return of the Form of Proxy will not preclude you from attending the Extraordinary General Meeting and voting in person if you wish to do so, subject to any restrictions (including with respect to travel or gatherings) relating to the Covid-19 pandemic that are in place at the time of the Extraordinary General Meeting.

8. Recommendation

The Board considers that the Proposal described in this Circular is in the best interests of Shareholders as a whole and accordingly recommends that Shareholders vote in favour of the Resolution to be proposed at the Extraordinary General Meeting.

The Directors intend to vote in favour of the Resolution in respect of their holdings of Shares, amounting to 305,523 Ordinary Shares in aggregate (representing approximately 0.03 per cent. of the issued share capital of the Company (excluding any Shares held in treasury) as at 19 January 2021 (the latest practicable date prior to the publication of this Circular)).

Yours sincerely

Andrew Sutch
Chairman

2. A member of a company is entitled to appoint another person as his proxy to exercise all or any of his rights to attend and to speak and vote at a meeting of the Company. A member may appoint more than one proxy in relation to a meeting, provided that each proxy is appointed to exercise the rights attached to a different Share or Shares held by him.
3. Please indicate with an 'X' in the appropriate box how you wish your vote to be cast in respect of each Resolution. If you do not insert an 'X' in the appropriate box your proxy will vote or abstain at his discretion.
4. Any instrument appointing a proxy shall be in any usual common form, or as approved by the directors (including electronic form), and shall be executed by or on behalf of the appointor or in either case otherwise authenticated in such manner as the directors may determine, including by electronic means.
5. All joint holders should be named but the signature of any one is sufficient. In all cases, names must be entered as they appear on the Company's register.
6. Where there are joint registered holders of any Shares, such persons shall not have the right of voting individually in respect of such Share but shall elect one of their number to represent them and to vote whether in person or by proxy in their name. In default of such election the person whose name stands first on the Company's register of members shall alone be entitled to vote.
7. Any corporate which is a member of the Company may by resolution of its directors or other governing body or officers authorised by such body authorise such person as it thinks fit to act as its representative at any meeting of the Company and the person so authorised shall be entitled to exercise the same power on behalf of the corporation which he represents as that corporate could exercise if it were an individual member of the Company.
8. The instrument appointing a proxy and the power of attorney or other authority (if any) under which it is signed or a notarially certified copy of such power or authority shall be delivered to the Company's Registrar, Computershare Investor Services (Guernsey) Limited, c/o The Pavillions, Bridgwater Road, Bristol, BS99 6ZY by 10 a.m. on 3 February 2021 or, if the meeting is adjourned, by not less than forty-eight hours (excluding weekends) before the time appointed for holding the adjourned meeting at which the person named in the instrument proposes to vote or, in the case of a poll taken more than 48 hours after it is demanded, not less than 24 hours before the time appointed for the taking of the poll and in default, unless the Board directs otherwise, the instrument of proxy shall not be treated as valid.

To appoint one or more proxies or to give an instruction to a proxy (whether previously appointed or otherwise) via the CREST system, CREST messages must be received by the issuer's agent (3RA50) not later than 48 hours before the time appointed for holding the meeting (excluding weekends). For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp generated by the CREST system) from which the issuer's agent is able to retrieve the message. The Company may treat as invalid a proxy appointment sent by CREST in the circumstances set out in the CREST Regulations.
10. Only Shareholders registered in the register of members of the Company at the close of business on 3 February 2021 shall be entitled to attend or vote at the aforesaid meeting in respect of the number of Shares registered in their name at the time, or in the event that the meeting is adjourned in accordance with the provisions contained in the Company's Articles, in the register of members at close of business two days before the time of any adjourned meeting. Changes to entries on the register of members after such time or, in the event that the meeting is adjourned, to entries in the register of members after close of business before the time of the adjourned meeting, shall be disregarded in determining the rights of any person to attend or vote at the meeting.

11. To change your proxy instructions, simply submit a new proxy appointment using the method set out above. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence. Please note that the cut-off time for receipt of proxy appointments also applies in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded.
12. To appoint more than one proxy you may photocopy the Form of Proxy. Please indicate the proxy holder's name and the number of Shares in relation to which they are authorised to act as your proxy (which, in the aggregate, should not exceed the number of Shares held by you). Please also indicate if the proxy instruction is one of multiple instructions being given. All forms must be signed and should be returned together in the same envelope.
13. Completion of the Form of Proxy will not prevent a member from attending the meeting and voting in person should the member so wish, subject to any restrictions (including with respect to travel or gatherings) relating to the Covid-19 pandemic that are in place at the time of the Extraordinary General Meeting.
14. Any alterations made to the Form of Proxy should be initialled.
